The screenshot shows the MySQL Installer window for MySQL Server 8.0.33. The left sidebar contains the following navigation items: Type and Networking, Authentication Method, Accounts and Roles (selected), Windows Service, Server File Permissions, and Apply Configuration. The main area is titled "Accounts and Roles" and contains two sections. The "Root Account Password" section prompts the user to enter a password for the root account, with a note to store it securely. It includes two password input fields (MySQL Root Password and Repeat Password) and a password strength indicator showing "Weak". The "MySQL User Accounts" section prompts the user to create MySQL user accounts and assign roles. It features a table with columns for MySQL User Name, Host, and User Role, and buttons for Add User, Edit User, and Delete. At the bottom, there are navigation buttons: < Back, Next >, and Cancel.
